

TOM FORD CAFÉ ROSE

Café rose captures the untamed sensuality of a refined rose infused with the unexpected twist of dark coffee. Essences of turkish rose and dark coffee reveal sensual depth, while rose bulgaria and ylang ylang comores exude sparkling floralcy. Coriander, patchouli and spicy cardamom simmer atop incense resin and sandalwood accords.

Café rose is housed in a semi-transparent pink bottle with a rose-pink cap and plaque. The luxe fragrance for women is available in 30ml, 50ml and 100ml editions.
