1. Data from HONOR labs. Product size may vary with its configuration, manufacturing process and measurement methods.

2. The two colors are not sold in all regions, please refer to the actual products sold locally.

3. Data from HONOR labs, total weight include the battery. Actual weight may vary due to product configurations, manufacturing processes, and measuring methods.

4. The dual-SIM dual-5G function is disabled by default and needs to be manually enabled by the user, and the dual-SIM residency scenario depends on the user's 5G service activation and the operator's local network.

5. With a rounded corner design, the diagonal length of the screen is 6.5 inches when measured according to the standard rectangle (the actual viewable area is slightly smaller).

6. This product has no therapeutic function.

7. On different application interfaces and gaming screens, the screen refresh rate and touch sampling rate may be slightly different.

8. The resolution is measured as a standard rectangle; thus, the effective pixels are slightly less.

9. Qualcomm and Snapdragon are trademarks of Qualcomm Incorporated, registered in the United States and other countries

10. The available internal storage may be smaller as part of the internal storage is occupied by software.

11. The rear main camera is a 48MP camera. Actual image resolution may vary depending on the shooting mode.

12. The rated capacity is 4900mAh. (non-removable battery)

13. Supports a maximum of 22.5W wired charging using the 22.5W HONOR charger and cable. Actual charging speed may vary depending on environmental conditions and other factors.
