## New Duro

Born to run.

ospreyeurope.nl

The OutDoor award winning Duro, brand new for Spring '17, uses Osprey's renowned attention to detail and an uncompromising range of features to provide a phenomenally high-performance running pack.

The Duro range includes three vest-style packs in 15L, 6L and 1.5L, a lumbar pack and a hand-held solution. Duro's vest packs are designed for all-day comfort with a close and stable fit. Built to carry a versatile and customisable hydration system to allow the runner easy access to water. These vest-style packs also include multiple pockets, innovative pole attachments for aided running and reflective graphics for better visibility at night.

The Duro Solo Belt is built for the minimalist. Featuring an ergonomically shaped Hydraulics™ Bottle designed for easy access. Duro Solo also has a TPU touchscreen smartphone window, allowing you to control your tunes or check Strava while on-the-go. Duro Solo has everything you could need for your shorter, faster runs.

Completing the line-up, Duro Handheld is designed to provide hand-held hydration whilst leaving your fingers free to adjust your jacket or open an energy gel. Easy to use, ambidextrous and comfortable, Duro Handheld features a zippered stash pocket and emergency whistle.
