JOHN BOYEGA

John Boyega, the inaugural Jo Malone London Gent, is a world-renowned British actor. London born John Boyega grew up in Peckham, to Nigerian British parents and celebrates the diversity and vibrant culture of this city, he still proudly calls home.

Recipient of BAFTA's 2016 Rising Star Award and the Chopard Trophy at Cannes, John Boyega's filmography is littered with strong and hard-hitting roles and blockbuster hits. Boyega captured the world's imagination for his starring role as Finn in the Star Wars franchise, which remains the highest-grossing US film release of all time. Boyega seeks scripts and roles which are both unexpected and challenging, gaining him exceptional reviews and praise within the film and acting industry.

He is as much at home behind the camera as in front of it. He founded his own production company, Upper Room Productions, in 2016. In 2018 he starred in and produced *Pacific Rim: Uprising* to much acclaim. Although widely known for his on-screen performances, John Boyega is also a keen stage actor, most recently reprising the eponymous role of Woyzeck at London's Old Vic Theatre.

His latest role sees Boyega navigate new territory, celebrating Britishness, storytelling and fragrance as he takes on a new kind of spotlight as the first Jo Malone London Gent.
