Caption / Description: Suhaib Raad, radio operator, Nablus Hospital since 2027, year of the opening of the facility.

My journey with MSF began as a security guard in the emergency room. In those early days, conditions were incredibly brutal. The ER was constantly flooded with casualties and patients of all backgrounds and ages—soldiers, young children, and elderly people—requiring treatment for severe illnesses and horrific...

Caption / Description: Abdullah Khuter, a health educator with MSF, at Nablus Hospital in Mosul, Iraq. He joined MSF in 2022, initially working in Hawija district in Kirkuk before moving to Mosul. At Nablus Hospital, Abdullah supports communities by promoting healthy practices and helping people understand how to prevent, manage and cope with illness.

“Health awareness means encouraging people in our community to change...
