The Bar Le Gaspard at La Réserve Paris is a chic, festive venue that makes Parisian life sparkle, day and night. On Avenue Gabriel, a stone's throw from the Champs-Élysées and Place de la Concorde, the relaxed intimacy of the Bar Le Gaspard exudes the highly social atmosphere of a New York equivalent. Featuring daring creations inspired by the theme of travel, the brand new cocktail menu is must during this voyage of discovery.

SIGNATURE COCKTAILS ON THE NEW MENU

Inspired by a dessert, **Tokyo Amber** is an ode to gourmet living. The sake foam used adds an enveloping delicacy to the cocktail, while the mezcal, with its inimitable smoky aroma infused with white chocolate, makes it even more velvety. The yuzu liqueur, meanwhile, awakens the taste buds with its citrus freshness.

Sans Souci is a vibrant tribute to Italy, with the use of bergamot, a precious citrus fruit that grows only along the Ionian coast in Calabria. Fresh and delicate, this cocktail is ideal for enjoying a sunny day on the terraces of the Bar Le Gaspard.

Another flagship creation, the **Ebène Paloma** is a declaration of love for agave-based spirits such as tequila. This bold twist on the classic Paloma (an iconic and popular spirit in Mexican culture that has conquered the whole world) is revisited with pure licorice and grapefruit. A most surprising new alternative!

THE PROMISE OF A JOURNEY THROUGH CULTURES FROM ALL OVER THE WORLD

The team at the Bar Le Gaspard is careful not to use too many ingredients in its latest creations, and harmoniously fuses different mixology techniques including shrubs, clarification and fat washing, promising an inspiring journey through time and the cultures of the world. Mastery of all these techniques remains the privilege of the greatest bartenders and is the hallmark of the world's best bars, from Tokyo to Singapore, from London to New York... And in Paris thanks to the Bar Le Gaspard.

Each recipe on the new menu tells a story waiting to be discovered from now at the Bar Le Gaspard.
