Trend book

JULY AW19

The Story

Olivia Burton is the British accessories brand founded in 2012 by best friends and former fashion buyers, Jemma and Lesa.

Designed in London, the brand's collections combine vintage and the latest fashion trends. Expect pretty prints, conversational pieces and extraordinary attention to detail.

Flower show

CELESTIAL

Ready to go cosmic? Starry nights and shimmering skies inspire this out-of-this-world collection. We've added glittering metallic flakes to our signature dials for the ultimate evening update.

OBI6GD42
Embellished Strap, Blush, Silver & Mother of Pearl Dial

OBI6GD37
3D Bee, Pearl Pink & Gold

OBI6GD15
Gold Bouclé Mesh

OBI6GD35
Rose Gold Bouclé Mesh

OBI6SP15
Rose Quartz, Pearl Pink & Rose Gold

OBI6SP21
Rose Quartz & Pale Rose Gold Bouclé Mesh

For our latest innovation, a hybrid between our healing Semi-Precious and cosmic Celestial styles offers the ultimate summertime update. Inspired by starry nights and shimmering skies, slices of rose quartz meet glittering metallic flakes as a nod to love, the language of the universe.

FEATURES

Soft genuine leather straps embossed on underside with our brand signature

Adjustable bouclé mesh straps on GD15, GD35 & SP21

Stainless steel case with branding etched on the back

WILDFLOWER

Animal print is so now. Animal prints and florals come together to create this fierce collection.

Pale plating meets luscious wild flowers, layered over a tonal leopard print dial, for our interpretation of the must-have catwalk trend. Are you ready to show your wild side?
