

# IT'S TIME TO LOOK AT THE BIGGER PICTURE

Southern Europe is known and loved  
for its warm and sunny climate.

Yet, there's nothing warm in the  
welcome that 60,000 desperate  
refugees receive every month.

Ignoring the migrant and refugee crisis  
in Europe is no longer an option.

Greece has 8,547 miles  
of beautiful beaches.

And over 1,800 desperate refugees  
arriving ashore every day.

Ignoring the migrant and refugee crisis  
in Europe is no longer an option.

Budapest has some of the most beautiful buildings in the world.

And thousands of innocent refugees camping in the streets beneath them.

Ignoring the migrant and refugee crisis in Europe is no longer an option.
