Double J

Embargoed Until: Wednesday 16 November 2016, 13:15 AEST

Double J adds a new daily show, live music and sounds from around the world in 2017

Double J will bring you more cutting-edge new music, more live sets and more sounds from around the world in 2017.

Double J is the **ABC's** most popular digital radio network, with a national audience tapping in to the station via Channel 200 on their TV, on digital radio, via the ABC Radio App and doublej.net.au.

The year kicks off on **Wed 11 Jan** with a **Tribute to David Bowie**, one year on from his death. Then from **Mon 16 Jan**, **Myf Warhurst** returns with her daily music show, featuring new releases and artist interviews.

One of Australia's best musical minds, **Karen Leng** will start a new one-hour daily format of her popular program **The Beat Eclectic**, bringing you music's most forward thinking tastemakers and innovators, now every day from **2pm Monday to Thursday**.

There will be more live music on **Double J** in 2017 with the addition of a brand new weekly **live music show**, featuring new recordings from local and international artists, plus classic sets from the legendary triple j live music archives, **3pm Mondays**.

And we're branching out around the globe, with **Stu Buchanan** bringing his successful **FBI Radio** program **Fat Planet** to Double J, playing you an eclectic mix of sounds from around the world, **8pm Wednesdays**.

The Funhouse continues with **Richard Kingsmill** playing the best indie anthems and kick-back tracks from the past 40 years to get you ready for the weekend, premieres at **2pm Friday**.

Every month we welcome the very best local and international artists to join the **Double J** team for a month long radio residency. Throughout February, we're excited to have **Paul Dempsey** as **Artist In Residence**, sharing his enviable record collection with you, **3pm Sundays**.

We also welcome back our regular presenters, **Henry Wagons**, **Tim Shiel**, **Lance Ferguson** and **Caroline Tran**.

To catch [The Beat Eclectic](#), **Fat Planet**, our new **live music show**, [The Funhouse](#) and [Artist In Residence](#), as well as all your fave **Double J** shows like [Don't Look Back](#), [Classic Album of the Week](#) and the [J Files](#), you can listen via your **mobile**, **digital radio**, **channel 200 on your TV**, **online** and **on demand** at doublej.net.au
