

A photograph of a flea market stall. In the foreground, several framed paintings are leaning against each other. The frames are made of wood, some with gold leaf. The paintings depict various scenes, including a landscape with a blue sky and a body of water. To the right, there are several metal cups and mugs, some with intricate designs. In the background, a small table with a silver bowl and other items is visible. The overall scene is a busy flea market stall.
