

# LET'S MAKE IT WORK

## The “Let’s Make it Work”

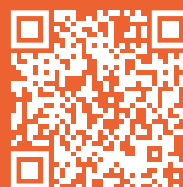

**campaign** was created to inform you about your social rights in the EU and everything that’s available to you.

The campaign is structured around **five themes** that affect your daily life:

- Skills
- Work
- Income
- Family
- Equality

## EQUALITY

No matter who you are, you have the right to be **treated equally** when looking for a job and, once at work, in decisions around promotions, pay and working hours.

- Start with the same chances as everyone else.
- Get equal opportunities to progress in your career.
- Compete on a level-playing field.

## FAMILY

You deserve to **be able to start a family when you want** and to **arrange your work** in a way that works for you and your loved ones.

- Access essential services while looking for work.
- Plan and prepare for working life.
- Feel confident that your family is taken care of.

## INCOME

The EU is committed to making employment – including salary – work for everyone and guarantees that you are paid an **adequate minimum wage**.

- When you are looking for work.
- While at work.
- Take care of the future.

## WORK

**You have the right to work in a safe environment.**

EU laws and organisations exist to ensure that you can access safe, quality work with a work-life balance that allows you to spend time with your family.

- Look for employment that works for you.
- Take care of what's most important.
- Your health comes first.
- Help your business grow and stay safe.

## SKILLS

**The EU can help you boost your career prospects** by upgrading your existing skills or learning new ones to get a promotion or change jobs.

**The European Year of Skills in 2023** is an ideal opportunity for you to make it work. How?

- Prepare for the world of work.
- Build a career.
- Stay competitive.
- Look for change.
