SOLEIL SUMMER COLLECTION

In the world of TOM FORD, Soleil embodies the unapologetic pursuit of sun and luxury, where summer never ends and one day blends seamlessly into the next.

Introducing the new, limited-edition Soleil Summer Collection of cosmetics inspired by the sun's scintillating reflection on crystal clear water, featuring innovative lip formulas, sunlit eyeshadows and an illuminating highlighter.

NEW LIQUID LIP BLUSH

An ode to Soleil Lip Blush, the iconic shade-shifting formula debuts as a liquid balm that glides on clear and turns to a personalized pink stain, enhancing lips' natural color. Infused with jojoba and sunflower seed oils, this lustrous liquid balm features gold-toned flecks.

ULTRA-SHINE LIP COLOR

This lightweight lip formula combines the easy application of a lipstick, the gleam of a gloss and the rich emollient of a balm. Infused with vitamin E and chamomile flower oil and expressed in exclusive, destination-inspired shades.

- 31 Île d'Amour - a warm red coral
- 32 Pêche Paradis - a burnt peach
- 33 Plage Nue - a light peach pink
- 34 Rose Irisé - a warm berry

EYE COLOR QUAD

This quartet of silky-soft eyeshadows features buildable radiant base and sheer topper shades evoking crystalline island waters. The new Soleil Eye Color Quad in 01 Emerald Dusk showcases hues that impeccably enhance eye shape in a single swipe.

01 Emerald Dusk - sun-sparked bronze and taupe shades with warm vanilla and deep teal toppers.

GLOW HIGHLIGHTER

A silky, radiant gel-powder hybrid highlighter that imparts an iridescent, healthy glow. The lightweight powder formula adds a sun-kissed iridescence to skin.

Available from Mid-April 2024 at De Bijenkorf, Inno and Parfuma.
