At the 2023 Met Gala in honor of the Costume Institute exhibition, “Karl Lagerfeld: A Line of Beauty,” Estée Lauder’s newly announced Global Brand Ambassador **Imaan Hammam** stunned with a beauty look that paid homage to the iconic glamour of 90s supermodels.

“We wanted Imaan’s beauty look to reflect the iconic glamour of the classic 90s supermodels, like Yasmine Ghauri and Cindy Crawford. We went with a matte eyeshadow and winged liner, soft matte skin, complement with a frosted, metallic lip,” said Nadia Tayeh, Imaan’s make-up artist.

Imaan wears the **NEW Pure Color Hi-Lustre Lipstick** in **Tiger Eye**.
