

TIFFANY & CO.

Holiday 2024

There is a place where
love never sleeps.
Radiant. Transformative. Ever-changing.
A place where
every act of love is celebrated.

Hands held.
Arms wrapped.
Eyes locked.

A place for self-love.
The beloved.
The In-love.

For timeless bonds,
meaningful beginnings
and new heights.

Here, love has many facets,
all of which, a gift.

With love, Since 1837

A close-up photograph of a Tiffany Titan bracelet resting on a teal gift box. The bracelet is made of 18k yellow gold and features a series of large, round freshwater pearls. Between the pearls are small, faceted gold spacers. The bracelet has a distinctive clasp mechanism consisting of two interlocking gold rings, one of which is set with a row of small, brilliant-cut diamonds. A light blue ribbon is draped across the top and bottom of the gift box. The background is a solid teal color.
