

Say hello

to Amsterdam's most liveable workspace.

more than just a co-working space

TSH Collab is where the modern day workplace meets the full service amenities of a design hotel. As part of The Student Hotel Amsterdam City complex, the co-working space offers access to facilities such as designer lounges, a swimming pool,

the world-class Vondelgym, 250 hotel rooms, a 150-seat auditorium, and our global tapas restaurant and bar - The Pool, fusing international comfort food with regional favorites. TSH Collab is located in the heart of Amsterdam on Wibautstraat, in a building that was once home to the infamous nightclub Trouw.

The open layout of the co-working space has been designed to optimize creativity, stimulate the entrepreneurial spirit and to inspire collaboration among like-minded peers. In addition to the large communal workspace for both flexi desk and dedicated desk members, private offices and meeting rooms are also available.

Our membership includes:

- Flexi desk
