Trays

Inspired by fresh ideas of global origin, we have created a sophisticated and subtle collection of trays. Luxury is melded with practicality, in the spirit of decorative objects. Global patterns, textures and layers are translated onto our pieces with traditional printing and hand-finishing techniques.

The exceptional process contributes to the unique quality and authenticity of each tray. Whether you use them to serve drinks, or as exclusive pieces of art on the wall: the trays are sure to catch the eye.

“While travelling through the blue ridge mountains, the vista became almost like a layered water color painting. Sky blues, grey and mist colors layered the horizon. As the sun was setting it took on a whole new color palette with warm autumn hues like sienna, sand, sepia.”

Dawn Sweitzer, designer.
