Sennheiser has been using the roadshow as an opportunity to visit cities all over Europe, South Africa, and the Middle East. At each stop on the roadshow, the Business Communications team is demonstrating some of Sennheiser's newest and most innovative products, including the TeamConnect Bars, the most feature-rich all-in-one conferencing devices in their class, and the TeamConnect Ceiling Medium with beamforming technology and TruVoiceLift.

Attendees are encouraged to get 'hands-on' with these newest innovations and engage with Sennheiser technical experts to gain deeper insights into the features and benefits of the TeamConnect Family and how the products can enhance collaboration in working and learning environments.

Register for free to attend the roadshow and spend the day learning more about how the Sennheiser TeamConnect Family can suit the size and set up of any meeting space. Register for free here: <https://sennheiser.com/sennheisers-roadshow-introduce-cutting-edge-audio-solutions>

### **About the Sennheiser brand**

We live and breathe audio. We are driven by the passion to create audio solutions that make a difference. Building the future of audio and bringing remarkable sound experiences to our customers – this is what the Sennheiser brand has represented for more than 75 years. While professional audio solutions such as microphones, meeting solutions, streaming technologies and monitoring systems are part of the business of Sennheiser electronic GmbH & Co. KG, the business with consumer devices such as headphones, soundbars and speech-enhanced hearables is operated by Sonova Holding AG under the license of Sennheiser.
