We've Got Diabetes Covered!

LEGO® Bricks for a Rainy Day

Benefiting Camp Kudzu

Camp Kudzu is a Georgia-based nonprofit serving children and teens living with Type 1 Diabetes and their families. Camp Kudzu serves more than 700 campers each year through 4 summer camp sessions, a day camp, and year-round family and teen programming.

Donate LEGO® bricks to go in our cabin kits and help our campers have even more fun on rainy days at camp!
