2016 NATIONAL CFL COMBINE PARTICIPANT LIST ANNOUNCED

More than 120 players to compete in three regional combines across the country

TORONTO – The Canadian Football League (CFL) announced that the League will once again host three regional combines with the participating players having one final opportunity of earning an invitation to the 2016 National CFL Combine presented by adidas, which will take place in Toronto, March 11-13.

The CFL will host regional combines for the fourth consecutive year, and the third-year it will host a trio of them beginning in Edmonton on March 7, followed by one in Montreal on March 9 and the final regional combine in Toronto on March 10.

Last year, 11 players from regional combines were extended an invitation to the National CFL Combine including seven of those players being selected in the 2015 CFL Draft.

12 of the first 13 selections from the 2015 CFL Draft participated in the National CFL Combine last year.

The CFL, with input from all teams, will then invite additional players from the regional combines to the national Combine in Toronto depending on player performance. Each regional combine will invite approximately 40 to 45 football players.

The top players eligible for the upcoming 2016 CFL Draft, as ranked collectively by the teams and the league office, are invited to attend the National CFL Combine presented by adidas.

National CFL Combine:

The National CFL Combine presented by adidas will take place at the Goldring Centre for High Performance Sports and Varsity Centre, both located on the University of Toronto downtown campus. The players will undergo medical examinations, performance, strength and speed tests, on-field football drills and team interviews over the three day combine in front of general managers, coaches and scouts from all teams.
