Forge of Empires Named “Best of 2015” in Google Play Store

Hamburg, December 7, 2015. [InnoGames](#)’ cross platform title [Forge of Empires](#) just put another trophy on the shelf: Google awarded the game a “Best of Games 2015” star in Germany, France and the UK. Interested players can check out the list directly in the [Google Play Store](#).

Forge of Empires is a strategy game, where players, tasked with leading their own city to prosperity, can research new technologies, build impressive historical buildings and enlarge their sphere of influence through military campaigns and skillful dealing. The game has been awarded the title of “Best Browser Game 2013” at the German Computer Game Award (Deutscher Computerspielpreis). Next to browser, Forge of Empires is also available cross platform for [iOS](#) and [Android](#) devices. On iPad it was top 5 new strategy games in the US in 2014.

With 150 million registered players, InnoGames is one of the world's leading developers and providers of online games. Currently, the Hamburg-based company employs over 350 people from 30 nations. InnoGames has scored major success with games such as [Tribal Wars](#), [Grepolis](#) and [Forge of Empires](#).
