InnoGames TV Sends a Viewer to Gamescom!

June episode gives out two gamescom tickets to celebrate Elvenar launch

Hamburg, May 29, 2015. As part of their continuing video communication, game developer [InnoGames](#) has just released the [June edition of InnoGames TV](#). The approximately 13 minute video features a ticket giveaway to gamescom, the largest trade show for interactive games, as part of the official release of [Elvenar](#) in the German and International Markets.

The show is divided into two parts: a breakdown of the contest and game announcements. To participate, viewers must download a printable version of the Elvenar crown, take a picture with it and send it to TV@innogames.com. The winner of the contest will be announced in the next episode.

The remaining part focuses on gaming news, starting with Elvenar. Timon and Oliver from the team show viewers two ways to play the game. Afterwards, [Forge of Empires](#) gives some insights into their Summer Event. On their end, [Tribal Wars 2](#) shares the importance of Noblemen while [Grepolis](#) presents their latest event, Commander of Rome. Last but not least, [The West](#)'s German Community Manager Andreas shares some myths and mysteries of the game.

Through their monthly video podcast, InnoGames provides the community with the latest news about their games. While the host speaks English, six languages are available via subtitles on YouTube.

With about 150 million registered players, InnoGames is one of the world's leading developers and providers of online games. Currently, the Hamburg-based company employs over 350 professionals from 30 nations. InnoGames has scored major success with games such as [Tribal Wars](#), [Grepolis](#) and [Forge of Empires](#).
