*Encres bleues*

Vernissage  
9.9.2021, 18-21.00  
in the presence of the artist

The *Bluescapes* is an ongoing series of works on paper and wood anchored in the use of Bic ink medium and the power of its unique blue hue. Tomáš Libertíny is constantly inspired by nature and its intricate power to communicate with our senses. The artist revisits the concept of landscape paintings trying to extract the essence of the experience of being overwhelmed by space and nature's territory.
