Perfect on their own or to prep skin for flawless foundation application. *Just glide, dab, and go.*

Skin Corrector Stick

Our original secret to the universe, now in an effortless **NEW** quick-stick format. Skin Corrector Stick was developed with makeup artists to instantly neutralize dark circles and discoloration. The skin-tone shade lineup delivers coverage that looks like real skin, color-correcting for a natural look, while the formula blends on contact for 12 hours of crease-proof, non-caking, creamy comfort. Slow churn technology helps to create the buttery, creamy texture and feather-light formula that melts into skin. Coffee Seed Extract and Salicornia help care for skin—providing long-term nourishing moisture that plumps and smooths skin and makes this the perfect prep for concealer application. **SRP: € 37**

Available in 12 shades

Choosing Your Corrector Shade:

For greenish-brown discoloration, go with a Peach Corrector Shade
For bluish-purple discoloration, go with a Bisque Corrector Shade

Skin Concealer Stick
