

RANGE ROVER

UNPRECEDENTED CHOICE

The SV Bespoke commissioning service represents the pinnacle of personalisation and is available on Range Rover Autobiography and Range Rover SV.

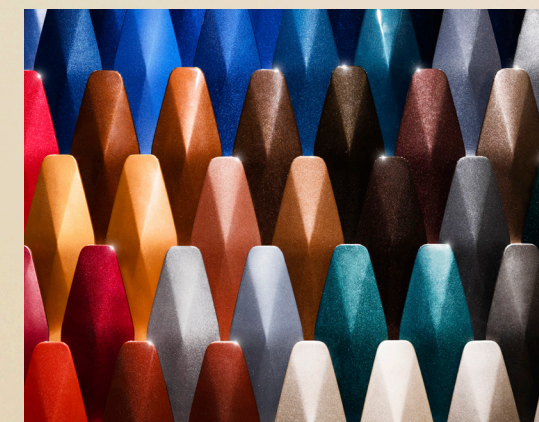

LUXURY EXPERIENCE

Clients can curate their vehicle at the SV Bespoke Commissioning Suite, select global retailers or through an exclusive virtual service.

INFINITE CHOICE

The SV Bespoke paint palette features over 230 colours in gloss and satin finishes, while the SV Bespoke Match to Sample service can replicate virtually any colour.

COORDINATED FINISH

The SV Bespoke Match to Sample service extends to the contrast roof, mirror caps, and inserts for the SV-exclusive 23-inch wheels.

EXTERIOR JEWELLERY

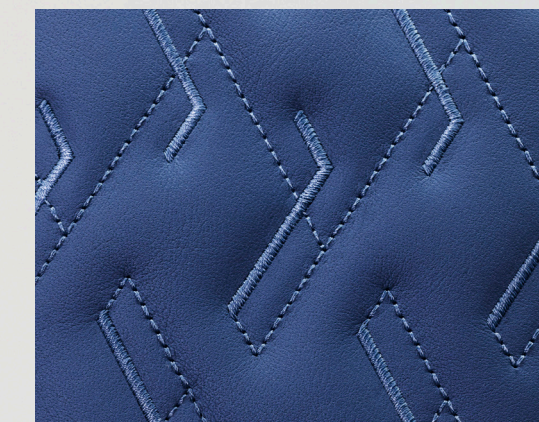

SV Bespoke's craftsmanship is exemplified by the Range Rover bonnet and tailgate script, which is available in precious metal finishes including 24ct gold.

TRANQUIL SANCTUARY

SV Bespoke gives clients the freedom to create a unique interior by combining different upholstery, stitching, veneer and trim options.

FINEST MATERIALS

Inside, responsibly-sourced wood veneers complement the finest leathers, reduced waste textiles and, exclusively on Range Rover SV, smooth ceramic.

PERSONAL TOUCH

With clients able to specify personalised tread plates and embroidery, each Range Rover curated through SV Bespoke is as unique as its creator.
