

LAND ROVER DISCOVERY SPORT

ABOVE & BEYOND

PIVI INFOTAINMENT: FASTER, SMARTER AND BETTER CONNECTED

The Discovery Sport features Pivi and Pivi Pro infotainment systems which are designed around you.

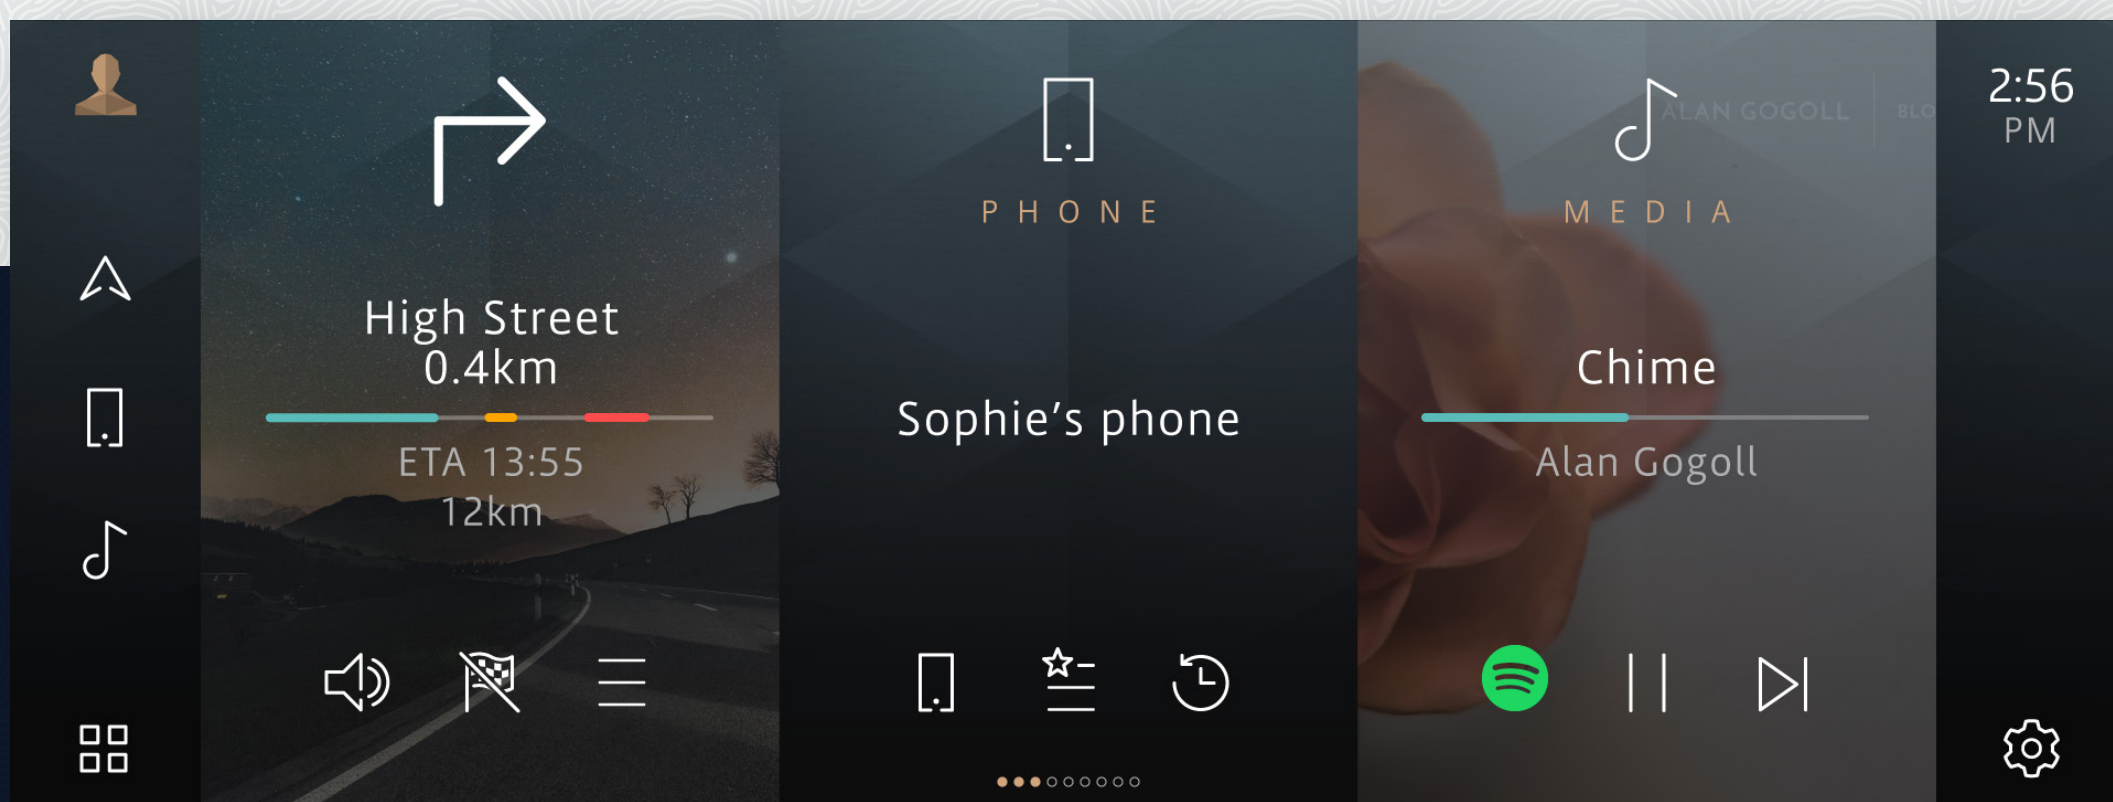

The intuitive menu structure allows users to access all areas from the home screen with two taps or less, whilst the advanced electrical architecture ensures a fast and responsive touchscreen experience.

FASTER . SMARTER . CONNECTED

READY WHEN YOU ARE

The system enables within seconds of unlocking, so it's ready to go by the time you're in the driving seat

CUSTOMISE

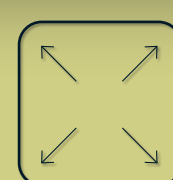

Just like your smartphone, you can customise your home screen to see the things that are important to you

ACCESS ALL AREAS FROM THE HOME SCREEN

A redesigned user interface means that most of your favourite features can be accessed directly from the home screen

OFF-ROAD MADE EASY

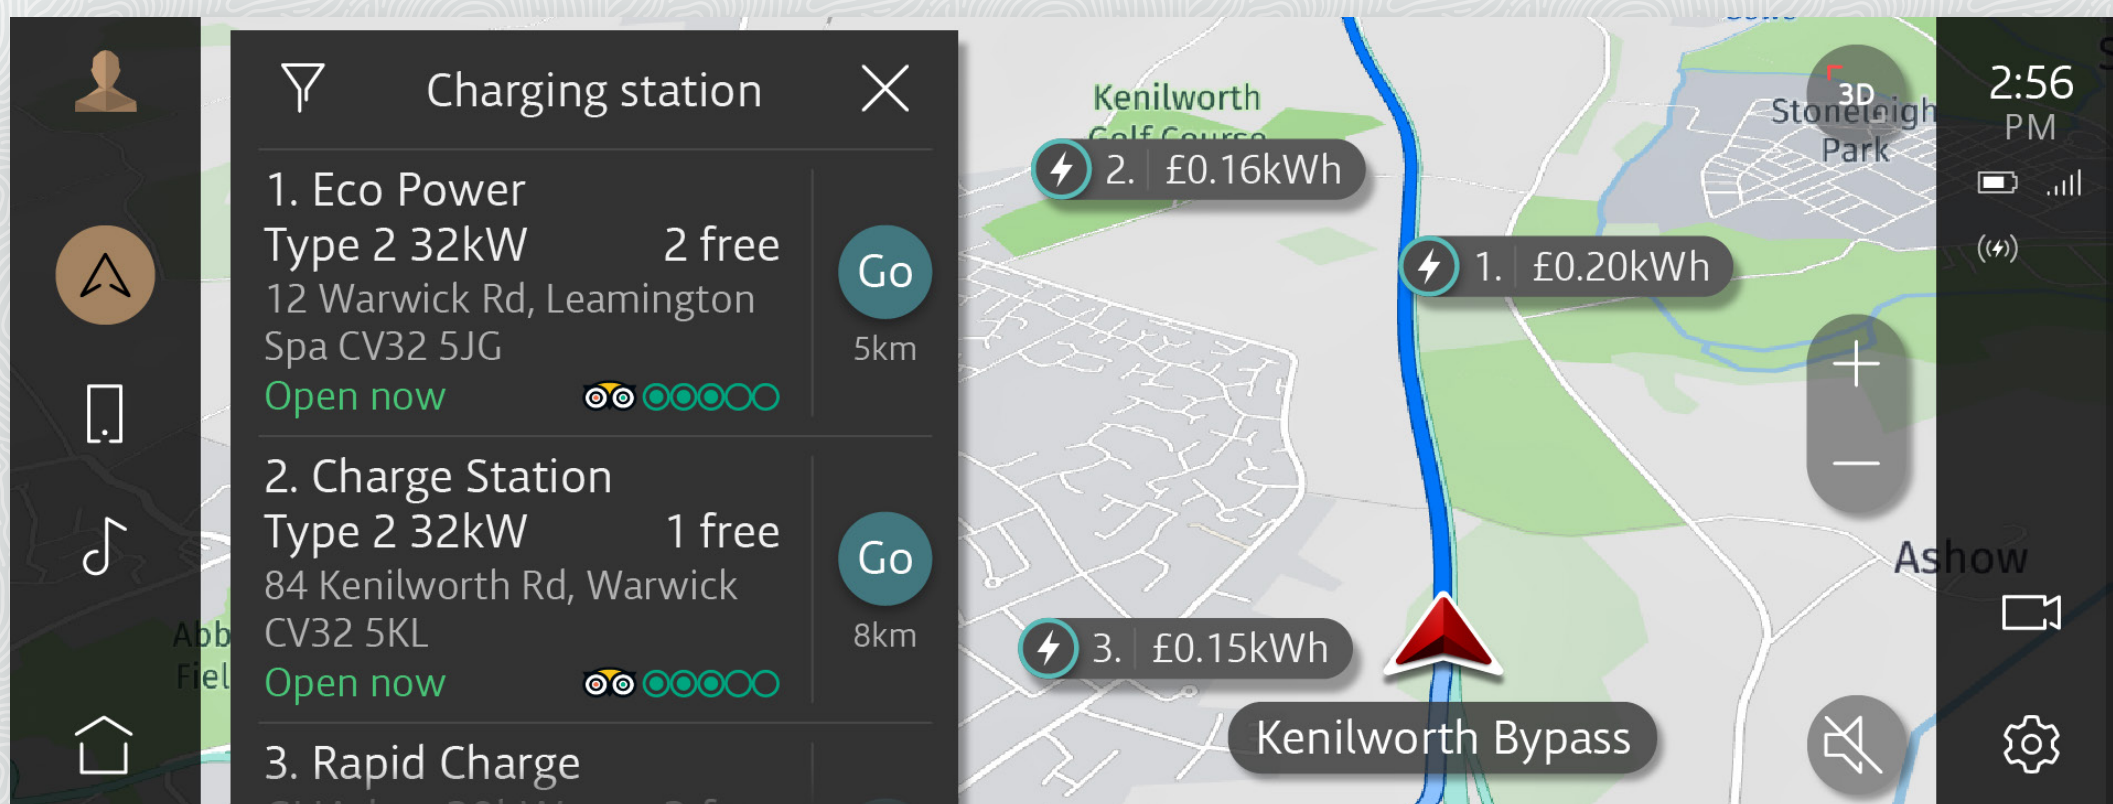

Pivi's 4x4i feature makes off-roading easier than ever. Monitor wade depth, ease down slopes and control traction, all from your touchscreen

FASTER . SMARTER . CONNECTED

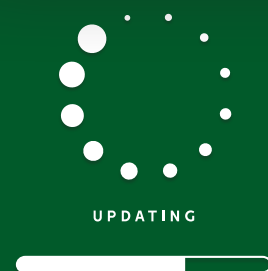

ALL-NEW CONNECTED NAVIGATION

Online Routing and live traffic information syncs with Dynamic Routing capability to keep you on the fastest route

PHEV CHARGING STATUS

See what charge you have remaining, whilst the system advises the most energy efficient route to take

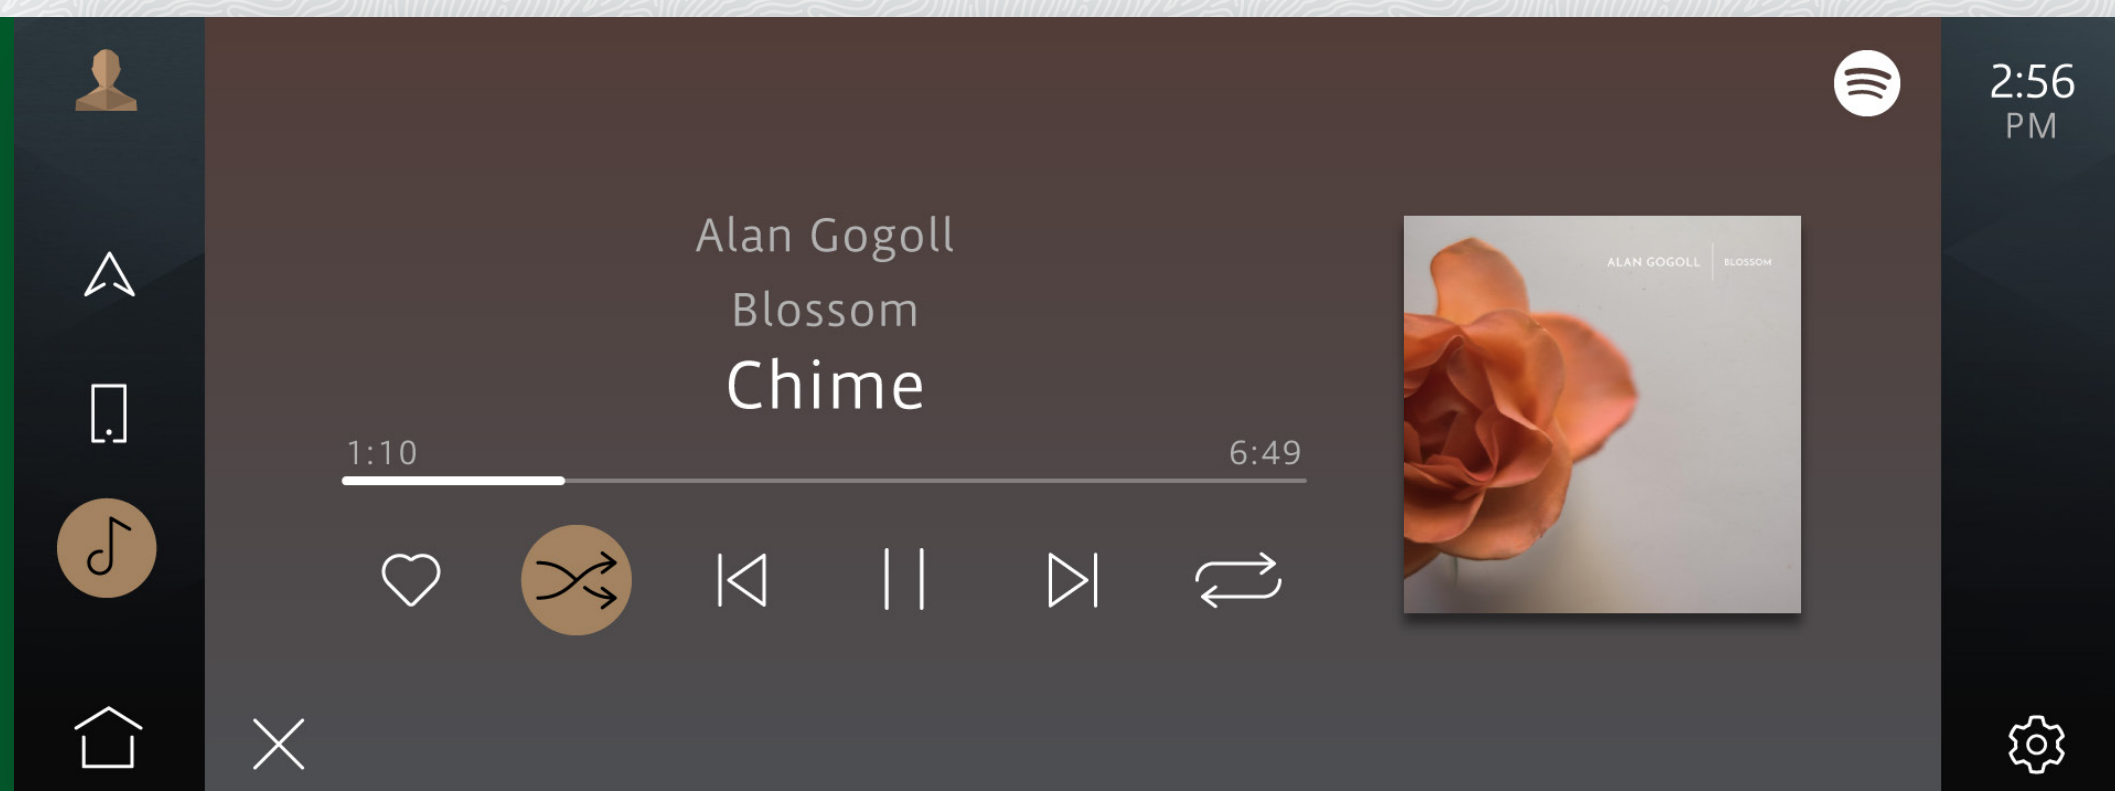

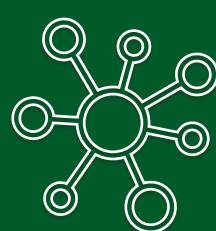

SOFTWARE-OVER-THE-AIR (SOTA)

Automatically updates your apps, maps and services in the background. SOTA also enables new features to be added, ensuring your infotainment experience improves over time

FASTER . SMARTER . CONNECTED

SEAMLESS CONNECTIVITY

Apple CarPlay is standard. As is Android Auto and Baidu Car Life*

INTEGRATED eSIM

Enjoy all the data you need without requiring a contract or separate SIM card***

FULLY INTEGRATED SPOTIFY

Unlimited music streaming and instant access to more than 60 million tracks and over 1.5 million podcasts**

CELLULAR INTERNET

Connectivity can roam across multiple network providers to maximise signal coverage

PAIR TWO PHONES

Connect two phones via Bluetooth at the same time, allowing either phone to be answered safely whilst driving

*Dependant on market availability

**Spotify Premium subscription required

***Unlimited data plan and eSIM are market dependent. Unlimited data is provided by the eSIM and applies to connected services and features for their respective subscription periods
