Game-changing beauty

LIMITED-EDITION BOBBI BROWN X PAC-MAN COLLECTION

Level up with our Limited-Edition Bobbi Brown x PAC-MAN Collection. Born in the '80s, PAC-MAN commands a special place in pop culture as one of the most successful arcade games ever made. And as a brand that helped shift the culture of beauty in the '90s, we're merging both of our worlds in a way that's powerful, playful, and perfectly nostalgic.

Join us on a journey through a makeup maze, where you'll face off with our power players to take your look to the next level. Make bold moves, energise with colour, and discover game-changing multitaskers to advance your beauty game. Score your favourites or collect them all for endless ways to play. Beauty has never been so fun.

Available as from early April 2025.
