

Anniversary offers on evolution wireless G4

Special deals in March for live sound and video professionals

Wedemark, 4 March 2020 – The month of March holds special deals for bands and videographers alike: Get up to 25% off the ew IEM G4 TWIN in-ear monitoring system and the ew 112-p G4 system for camera use.

For the live sound pro

Wireless monitoring has become a standard on stages across the globe – and evolution wireless G4 is one of the top choices for artists and engineers alike. In March, the ew IEM G4 TWIN is available for EUR/USD 999 instead of the usual price of EUR/USD 1,295. The UHF system is comprised of the SR IEM G4 wireless monitoring transmitter including rack-mount set, rod antenna and power supply, and two EK IEM G4 stereo bodypack receivers including batteries and IE 4 earphones. In brief: everything included for stepping up your performance with professional wireless monitoring.
