CELEBRATION COLLECTION

The Celebration Collection unfolds as a natural continuation of the Sézane Spring Collection—a carefully curated selection of dresses, separates, accessories, and shoes—designed for life’s biggest moments. From sleek lines and sculptural silhouettes to delicate details, the collection offers a fresh—and *très* French—take on occasionwear.

From statement dresses to refined heels and iconic basket bags, every piece was designed with real life in mind—beautifully made, but effortless to wear. It’s occasion dressing, simplified. The way the French do best.

Discover the Celebration Collection from mid-April on [Sezane.com](https://www.sezane.com), the [App](#), and in Sézane Appartements worldwide.
