*Happier hearing starting at just 199,90 €*

The human voice is the path to the heart, connecting loved ones to treasured moments in the most meaningful way. Sennheiser knows that a big announcement at the dinner table might only happen once, so they have put together a handful of solutions that easily keep up with the conversation—regardless of if it's the dialogue buried in a TV broadcast, crowded restaurant, or holiday theatre performance.

- **Problem solver!** TV Clear Set (199,90 €) | True wireless earbuds for living room
- **Cutting edge!** Conversation Clear Plus (849,00 €) | Connected dialogue enhancing earbuds

### About the Sennheiser brand

We live and breathe audio. We are driven by the passion to create audio solutions that make a difference. Building the future of audio and bringing remarkable sound experiences to our customers – this is what the Sennheiser brand has represented for more than 75 years. While professional audio solutions such as microphones, meeting solutions, streaming technologies, and monitoring systems are part of the business of Sennheiser electronic GmbH & Co. KG, the business with consumer devices such as headphones, soundbars and speech-enhanced hearables became part of the Sonova Holding AG group of companies in 2022, who have licensed the Sennheiser trademark for this purpose.
