

## SUPERIOR SOUND, TAILORED TO YOU

### Sennheiser launches CX 400BT True Wireless earphones

**Wedemark, September 1, 2020** – Rules are there to be broken: With the new CX 400BT True Wireless, Sennheiser has rewritten the rulebook for true wireless audio by bringing its high-end acoustic technology to an exciting new pair of everyday earphones. With intuitive customizable controls, all-day comfort and a 7-hour battery life that can be extended to up to 20 hours using the supplied charging case, they are the ideal, uncompromised choice for anyone with a passion for great sound.

#### **Superior sound, tailored to you**

*The CX 400BT True Wireless delivers astonishing high-fidelity stereo sound with deep bass, natural mids and clear, detailed treble thanks to Sennheiser's 7mm dynamic drivers. You can further tailor your sound experience with the built-in equalizer via Sennheiser's Smart Control app.*

#### **Intuitive and effortless**

*The earphones have been created for fast-paced, always-on lifestyles. Staying entertained, informed and connected is effortless and intuitive, thanks to the customizable touch controls that let you define your preferred way of controlling audio, calls or accessing voice assistants.*

**All-day entertainment**

*With 7 hours battery life and up to 20 hours available when charging on-the-go with the supplied case, the CX 400BT True Wireless keeps entertaining throughout the day – and comes with all-day comfort to match.*

**Comfort and style**

*Stylish, minimalist, and perfectly balanced, the earbuds' ergonomic design offers all-day wearing comfort, while their exacting build quality ensures take-anywhere durability. For a perfect fit in the ear that effectively attenuates outside noise, adapters are provided in a choice of four sizes.*

The CX 400BT True Wireless will be available in black and white from September 15 for 199 EUR (MSRP).
