

# NEW JAGUAR E-PACE

## TRANQUIL SANCTUARY

NEW E-PACE'S INTERIOR PROVIDES A CALMING OCCUPANT EXPERIENCE AND IS DESIGNED TO ENHANCE OCCUPANT WELLBEING

### BODY STRUCTURE

Revised body structure improves refinement and ride comfort

### ALL-NEW PIVI PRO INFOTAINMENT

Next-generation Pivi Pro is as quick and easy to use as a smartphone

### 11.4-INCH TOUCHSCREEN

Curved glass 11.4-inch central touchscreen and 12.3-inch interactive driver display

### SOFT TOUCH MATERIALS

Feature with sculpted surfaces in more places for increased comfort

### CABIN AIR IONISATION

Now also with PM 2.5 filtration captures ultra fine particles and allergens, to improve occupant health and wellbeing

### AMBIENT LIGHTING

Configurable and zoned, to enhance the interior environment

### COURTESY LIGHTING

Warm white subtly highlights key areas within the cabin

### DRIVER ALERT SOUNDS

Follow an aviation-inspired 'tiered' approach which prioritises information flow to the driver
