**Masque Gommage Mains** is an innovative and multifunctional treatment that, thanks to its texture, offers the treatment of a mask and a scrub in one product. The combination of its active ingredients exfoliates the skin and stimulates cell renewal, while moisturizing and evenifying the epidermis. This care also has an action on the nails: it strengthens and stimulates their shoots and softens the cuticles.

## ACTION PLATFORMS

### ▪ Exfoliating platform

BHA: salicylic acid, AHA: lactic acid and citric acid, PHA: gluconolactone, Wax balls of Jojoba

### ▪ Moisturizing and repairing platform

Sacha Inchi Oil, Cotton Oil, Horseradish Extract, Moisturizing Molecular Film

### ▪ Unifying platform

White Clay, Lemon Extract, Sorrel Extract
