

# GLOW-CO-NUTS™ HYDRATING COCONUT MOISTURE MASK

Limited Edition

Available as from January 2020

Enhance your wind-down evening routine and quench your skin's thirst with Origins NEW limited-edition Glow-Co-Nuts™ Hydrating Coconut Moisture Mask.

Packaged in a superfood ingredient-inspired tube, this fluffy, whipped and hydrating coconut cream mask delivers intense moisture to help visibly replenish dry skin while also restoring skin's glow for a more naturally healthy complexion.

While key ingredients like Coconut Oil and four Coconut-derived emollients help to instantly hydrate, nourish and condition the skin, the formula's essential oil blend of Lemon, Orange, Lime and Vanilla offers a sweet nighttime treat, relaxing the senses.

Origins Glow-Co-Nuts™ Hydrating Coconut Moisture Mask 75ml retails for 23 € and will be available as from January 2020 at ICI PARIS XL and online.

For use, apply overnight to restore moisture lost while you sleep. Be sure to apply a generous layer to your skin after cleansing, tissue off excess and leave on while you sleep.
