GREY VETIVER PARFUM

A bolder iteration of the original scent, new GREY VETIVER PARFUM evokes the sharp tailoring and impeccable style of the modern man. A trio of sunlit vetivers exudes intense radiance – as fresh orange flower gives way to saffron, the world's most expensive spice, adding a nuanced luster.

GREY VETIVER PARFUM is packaged in a silver-toned flacon with fluted detailing. The luxe fragrance for men is available in 50mL for €150 and in 100mL for €210 as of May 2023 at Douglas, douglas.nl, De Bijenkorf and bijenkorf.nl
