

GRIP 100

Action sports and music push limits. Through a collaboration with action sport athletes, and extensive consumer testing, JBL created Grip to provide an exceptional earphone for athletes to inspire and motivate their performance. Thanks to an advance ergonomic design, Grip action sport earphones are guaranteed to never hurt or fall out. They are reinforced with strain relief and made with resilient materials that will take you through your toughest and longest days in the park or on the hill.

GRIP 100

TWISTLOCK™ PATENTED DESIGN

Ergonomically designed ear tips comfortably twist and lock into your ear creating a fit that has been tested and proven by action sport athletes to never fall out.

DURABLE BUILD

Sweatproof and designed with strain relief and durable materials, JBL Grip is an earphone that holds up in the action sport lifestyle.

COMFORT FIT

JBL Grip ear tips are made with Flexsoft™, an ultra soft material that will never hurt even during long sessions.

1 OR 2 BUD USE

Customize your earphones by opting to listen to 1 bud or 2. Simply snap the unused bud to the cord for single bud use or for tangle free storage.
