

PRESS RELEASE

REPA Expands its Range of HOBART Spare Parts to Include Food Preparation

Cesena, Italy - September 26, 2024

REPA, the leading European spare parts distributor for foodservice equipment, coffee, vending machines, and household appliances, part of Parts Town Unlimited since 2022, **is expanding its HOBART offering** to cover the renowned equipment manufacturer's **food preparation spare parts portfolio**.

Service centers, technicians, distributors and all customers can now find the most requested spare parts for HOBART **mixers, slicers and food processors** such as whisks for mixers, slicer knives and regulating cards from the REPA webshop, available 24/7, together with HOBART's **dishwashers spare parts and detergents** already included in its offer.

Thanks to this range extension, **REPA can now offer 43,000 HOBART original spare parts** within its **one-stop-shop**.

Alongside the undisputed breadth of choice, customers buying from REPA can benefit from **lightning-fast delivery times**, guaranteed next day across Europe, an **easy-to-use e-commerce platform** and **experienced customer service professionals**, trained by HOBART, ready to support customers in their search for the right spare part or consumable for the job.

Alexander Wiegand, REPA CEO comments: *"We're delighted to extend our partnership with one of the most iconic and well-respected equipment brands in the world, adding HOBART's food preparation spares to our ever-growing portfolio. Pieces of food preparation equipment are kitchen 'workhorses' that keep the kitchen running smoothly. It's therefore integral that foodservice operators receive parts as quickly as possible when equipment breaks down. REPA is on hand to provide that much needed peace of mind – ensuring that machinery can be back online in a matter of hours."*

Silvio Koch, Vice President and General Manager of HOBART adds: *"REPA is a valuable partner for us. That's why we have expanded the number of countries over the years and now the type of equipment for which REPA supplies our original spare parts. With the leading distributor, our customers can benefit from REPA's one-stop-shop offering all the parts they need for their repairs in one place."*

REPA

REPA is the leading European spare parts distributor for foodservice equipment, coffee, vending machines and household appliances and is a trusted partner to equipment manufacturers. Since 2022 REPA is division of Parts Town Unlimited, the global leader in high-tech distribution of mission-critical equipment replacement parts, related products and services for the foodservice, residential appliance and HVAC industries. REPA customers benefit from strong expertise in spare parts, with more than 40 years of experience in the market from REPA Italia, REPA Deutschland, REPA Iberia, REPA France, ATEL and Big Warehouse.

With the industry's largest inventory accessible through state-of-the-art webshops, high stock availability, highly innovative logistic centers that assure the fastest delivery of spare parts in the industry, REPA provides every customer with the right part, at the right time, everywhere.
