SKIN. SCIENCE. ART.

## Gentle Cleansing Foam. Suitable for sensitive skin.

- **Daily facial cleanser designed for sensitive skin**

A mild facial cleanser with a rich foam texture that minimizes physical contact and is suitable for daily use on all skin types, including sensitive skin.

- **Rich, cloud-like lather feels gentle but effectively cleanses impurities.**

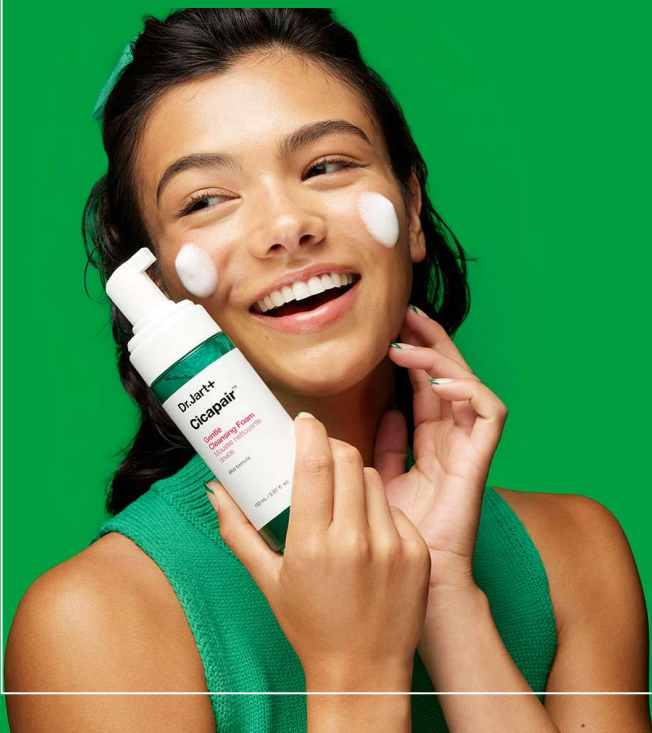

A simple pump provides airy lather that effectively removes impurities and makeup residue without drying the skin.

- **Newly added ingredients, R-Protector & Allantoin**

This cleanser is formulated with Dr. Jart's Cicapair solution consisting of Cica Complex, R-Protector and Allantoin.

- **Skin-friendly pH formula to maintain the delicate skin barrier.**

The cleanser is formulated to maintain pH close to the neutral level of healthy skin, keeping the delicate skin barrier intact.

Available as from mid-March 2025.
