La siguiente guía sirve para explicar el procedimiento de acreditación de medios del campeonato FIA Formula E para todas las carreras. La única manera de solicitar una acreditación de medios es a través del sistema oficial de la FIA en línea. Por favor, lea a continuación cómo funciona el sistema desde el principio hasta el final.

Para solicitar la acreditación para medios de comunicación, debe visitar el sitio web oficial de la FIA:

https://acr.fia.com/ECR/jsp/_login.jsp?language=0

NOTA: Bajo ninguna circunstancia se permitirá a ningún miembro de los medios de comunicación estar dentro de un evento de la Formula E sin la debida acreditación aprobada.

Los solicitantes por primera vez (medios impresos y electrónicos / agencias / TV y radiodifusoras) deben registrarse antes de realizar cualquier solicitud de acreditación.

NOTA: Tenga en cuenta que cualquier medio, aunque ya esté registrado en el sistema FIA para otro campeonato, debe completar el formulario de registro sin excepción alguna.

A los solicitantes se les puede solicitar algunos documentos, que deben enviarse por correo electrónico o en su forma original a través de una publicación, si es necesario.

Después de la aprobación de la FIA, el solicitante recibirá un correo electrónico que le dará acceso al sistema de acreditación en línea.

NOTA: La FIA se reserva el derecho de denegar el acceso al sistema de acreditación en línea.
