

Behind the Design

The Tiffany Knot Choker

1. An artisan inspects the 18k yellow gold casting for the Tiffany Knot choker.
2. An artisan prepares the 18k yellow gold casting for the Tiffany Knot choker.
3. While creating the 18k yellow gold Tiffany Knot choker, an artisan examines the fit of the metal-only strand with the knot strand before it is set with diamonds.
4. An artisan integrates gold wire into the 18k yellow gold Tiffany Knot choker while aligning the design.
5. With the assembly in place, an artisan aligns the 18k yellow gold Tiffany Knot choker.
6. An artisan solders the 18k yellow gold Tiffany Knot choker.
