

## # Highlights in the 24 headline episodes of IKEA Festival Room + timing

**IKEA news 18h-19h; new collaboration partner for IKEA :** get to know our new collaboration partner and what we will be doing together.

**IKEA news 12h -13h; visiting previous collaboration partner Virgil Abloh:** Designer, entrepreneur, and DJ Virgil Abloh is one of the most influential creative forces of our time – someone whose ideas and designs across disciplines and platforms have shaped contemporary culture. He opens the doors to his Paris studio to share what’s on his mind right now.

**Kitchen talk spaces 01h-02h;** get a first view of what’s to come in the **KÅSEBERGA** collection, a collaboration between IKEA and World Surf League.

**My home turf 23h-00h; MØ:** Follow from her home town Copenhagen, Denmark as she shows us the city through her eyes and ends it all with a unique performance.

**Home visit 9h,11h,12h and 18h; Average Rob:** Average Rob visits the home of 4 interesting personalities.

**Dj relay 00h-01h; Kaytranada,** the Montreal-raised producer, arrived during the early 2010s with ear-perking remixes and an array of sounds that veered from J Dilla-inspired hip-hop beats to distinctly woozy house grooves. Since, he’s released two universally acclaimed albums produced for everyone from Anderson Paak to Alicia Keys. Check out this poolside session.

**IKEA news 09h-10h; Store opening in Vienna:** Join Jesper Brodin CEO, Ingka Group as he partakes in the opening of the brand new store in Vienna, Austria, letting customers experience this new store format for the first time. This store is unlike any IKEA store you have visited before.

**Home visit 10h-11h; chef Paul Svensson:** Welcome home and into the kitchen of Swedish chef Paul Svensson where we learn more about everyday no waste cooking – making great food out of the stuff hidden in the fridge and drawers.

**IKEA Museum 24h long:** Go back in time and explore everything that has made and shaped IKEA: the good, the bad, the beautiful and the ugly.

**Kitchen talk 16h-17h; circularity:** Our common home, the planet is the starting point in this talk, and how we need to care for it by changing, improving and finding new ways of handling our resources by going circular. Join a conversation between Joe Iles from the Ellen McArthur Foundation, designer Naeem Biviji, TV host and creator Isabelle McAllister, chef and food activist Filip Lundin and Dominique Fularski from IKEA, and learn more about the opportunities and challenges of circularity.

**Home cooking 20h-21h; Pasta Queen:** Nadia Caterina Munno has turned her presences on TikTok and YouTube into a mini Food Network, dishing out recipes, advice and a little cooking comedy for anyone who's ever wanted to try down-home Italian DIY.

**Home Visit 22h-23h; Ilse Crawford:** Check out the London studio of the IKEA collaboration partner Ilse Crawford – designer, author and Creative Director of Studioilse. Hear her thoughts on home and timeless design (including some of the upcoming products in IKEA range).

**Kitchen talk 19h-20h; air:** We breathe 15 kg air per day, and increasing levels of air pollution affects the lives and livelihoods of millions of people around the world, which is why clean air is important to all of us. Join this Kitchen Talk with Maria Neira from the WHO, chef Isabella Morrone, meditation teacher Magnus Fridh and Björn Block from IKEA to learn more about the importance and impact of that invisible thing called air.

**Home visit 03h-04h; IKEA designer Mikael Axelsson:** Enter a villa in Älmhult, Sweden (the heart of IKEA) where IKEA designer Mikael Axelsson and his girlfriend Sara have created their own personal haven. Clever, unexpected solutions, space for exploring their interests both inside and outside. Take a tour of their home, a garage that's brimming with gadgets, then jump on a moped to see inside Mikael's workshop, where many of his design ideas comes to life.

**My home turf 04h-05h; Masego:** Micah Davis, known professionally as Masego, is a Jamaican-American saxophone player, singer, rapper, comedian & DJ – a singular talent and surprising presence in the musical fabric right now. In this episode, Masego invites us to his home turf in Los Angeles for a tour and a performance.

**IKEA news 11h-12h; drones operating in warehouses:** New technology allows us to solve problems in smarter ways. Join the drones working for IKEA during night when they operate in a warehouse.

**IKEA news 15h-16h; Gaming x IKEA**
