ABC launches live streaming for 19 regional stations

The ABC today launched the live streaming of the remaining 19 regional radio stations in its regional network. The stations now streaming are:

Wollongong	Bega	Rockhampton	Mount Gambier
Lismore	Coffs Harbour	Mackay	Port Lincoln
Wagga Wagga	Maroochydore	Albany	Renmark
Orange	Bundaberg	Geraldton	Shepparton
Tamworth	Townsville	Esperance	

The addition of these 19 stations completes the ABC roll-out of live streaming to 42 regional sites, which commenced in 2015.

Director of ABC Regional and Local, Michael Mason, said the completion of this work marked a major milestone for ABC Radio in rural and regional Australia.

“Listeners to all our stations – whether they are in our major capital cities or in remote regional areas - will now have access to our content on-the-go.” Mr Mason said. “Making our live content available online or through an app extends our audience reach significantly and gives expats and family members living outside their communities the means to connect. This can be particularly important in times of emergencies.”

Audiences can access the ABC online streams via their local station websites; on the ABC Radio website: abc.net.au/radio and on the ABC listen app which is available for both [iphone](#) and [android](#).

Live audio streaming for 42 regional locations is now available, as listed below.

ABC REGIONAL STREAMS:

Victoria

Shepparton	http://radio.abc.net.au/stations/local_shepparton/live
