

LAND ROVER DISCOVERY SPORT

ABOVE & BEYOND

PIVI INFOTAINMENT: FASTER, SMARTER AND BETTER CONNECTED

The Discovery Sport features the new Pivi and Pivi Pro infotainment systems which are designed around you.

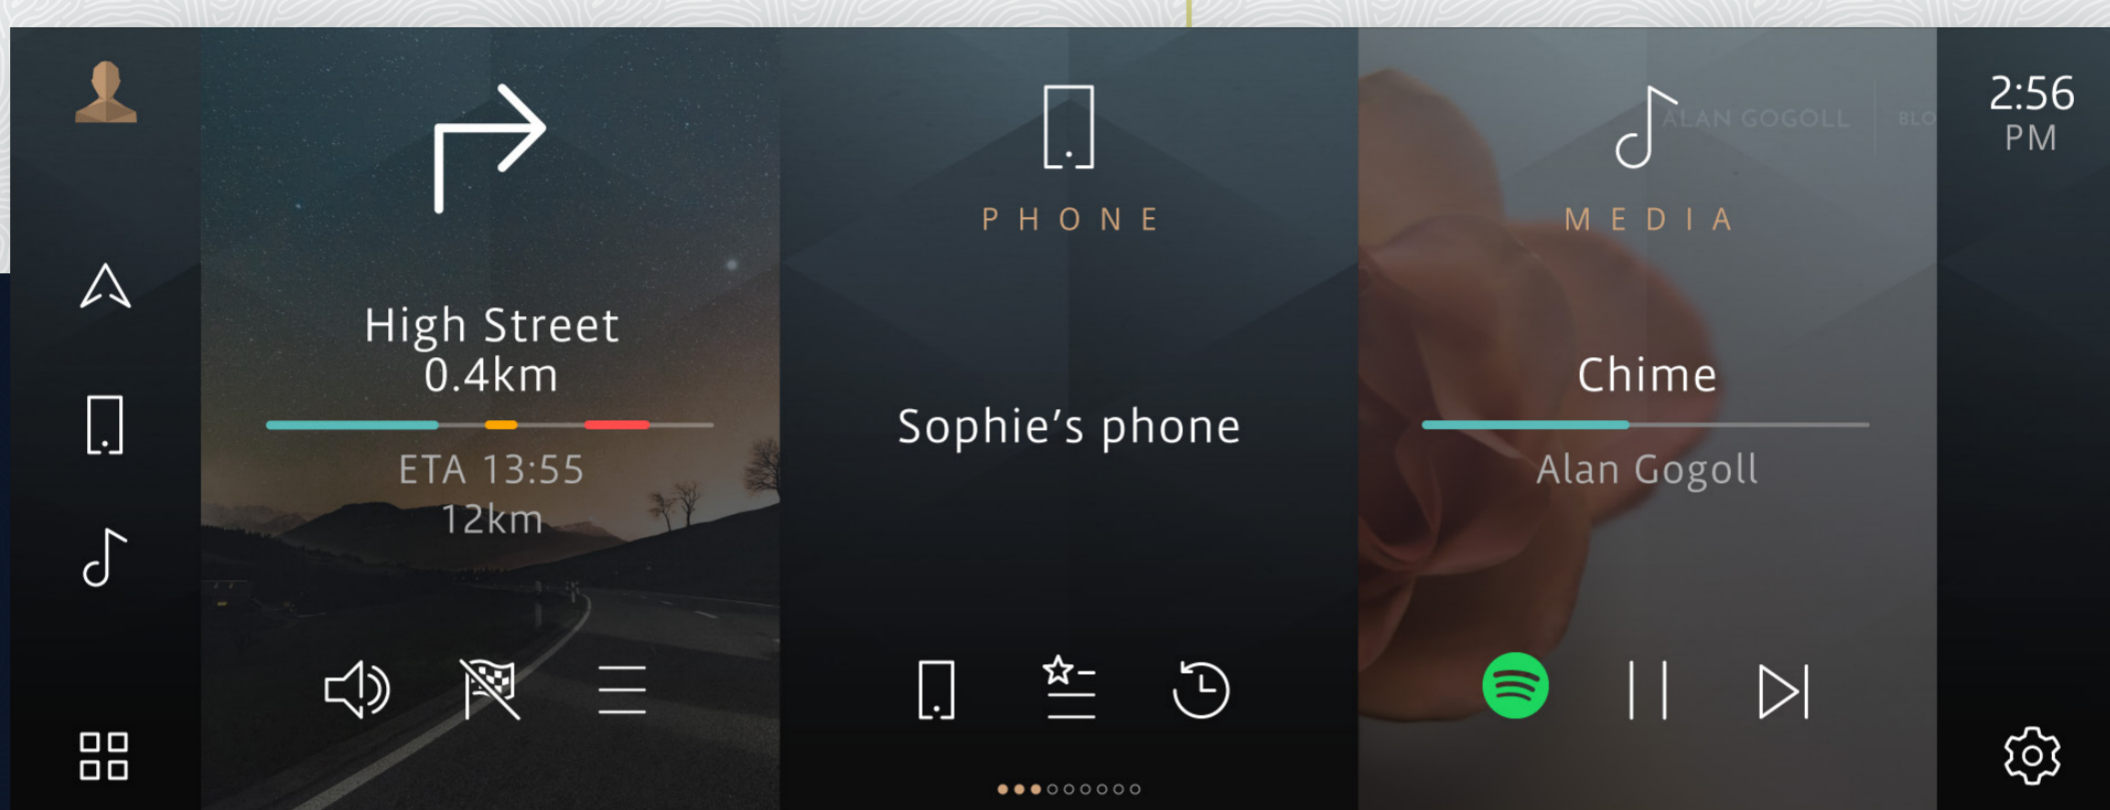

As quick and easy to use as your smartphone, it's self-learning technology means the navigation, media and comfort settings are tuned to your preferences.

FASTER . SMARTER . CONNECTED

READY WHEN YOU ARE

The system enables within seconds of unlocking, so it's ready to go by the time you're in the driving seat

ACCESS ALL AREAS FROM THE HOMESCREEN

A totally redesigned user interface means that most of your favourite features can be accessed directly from the homescreen

OFF-ROAD MADE EASY

Pivi's 4x4i feature makes off-roading easier than ever. Monitor wade depth, ease down slopes and control traction, all from your touchscreen

CUSTOMISE

Just like your smartphone, you can customise your home screen to see the things that are important to you

ORGANISED

Link your Microsoft or Google Calendar to see appointments, dial into conference calls or track flight details

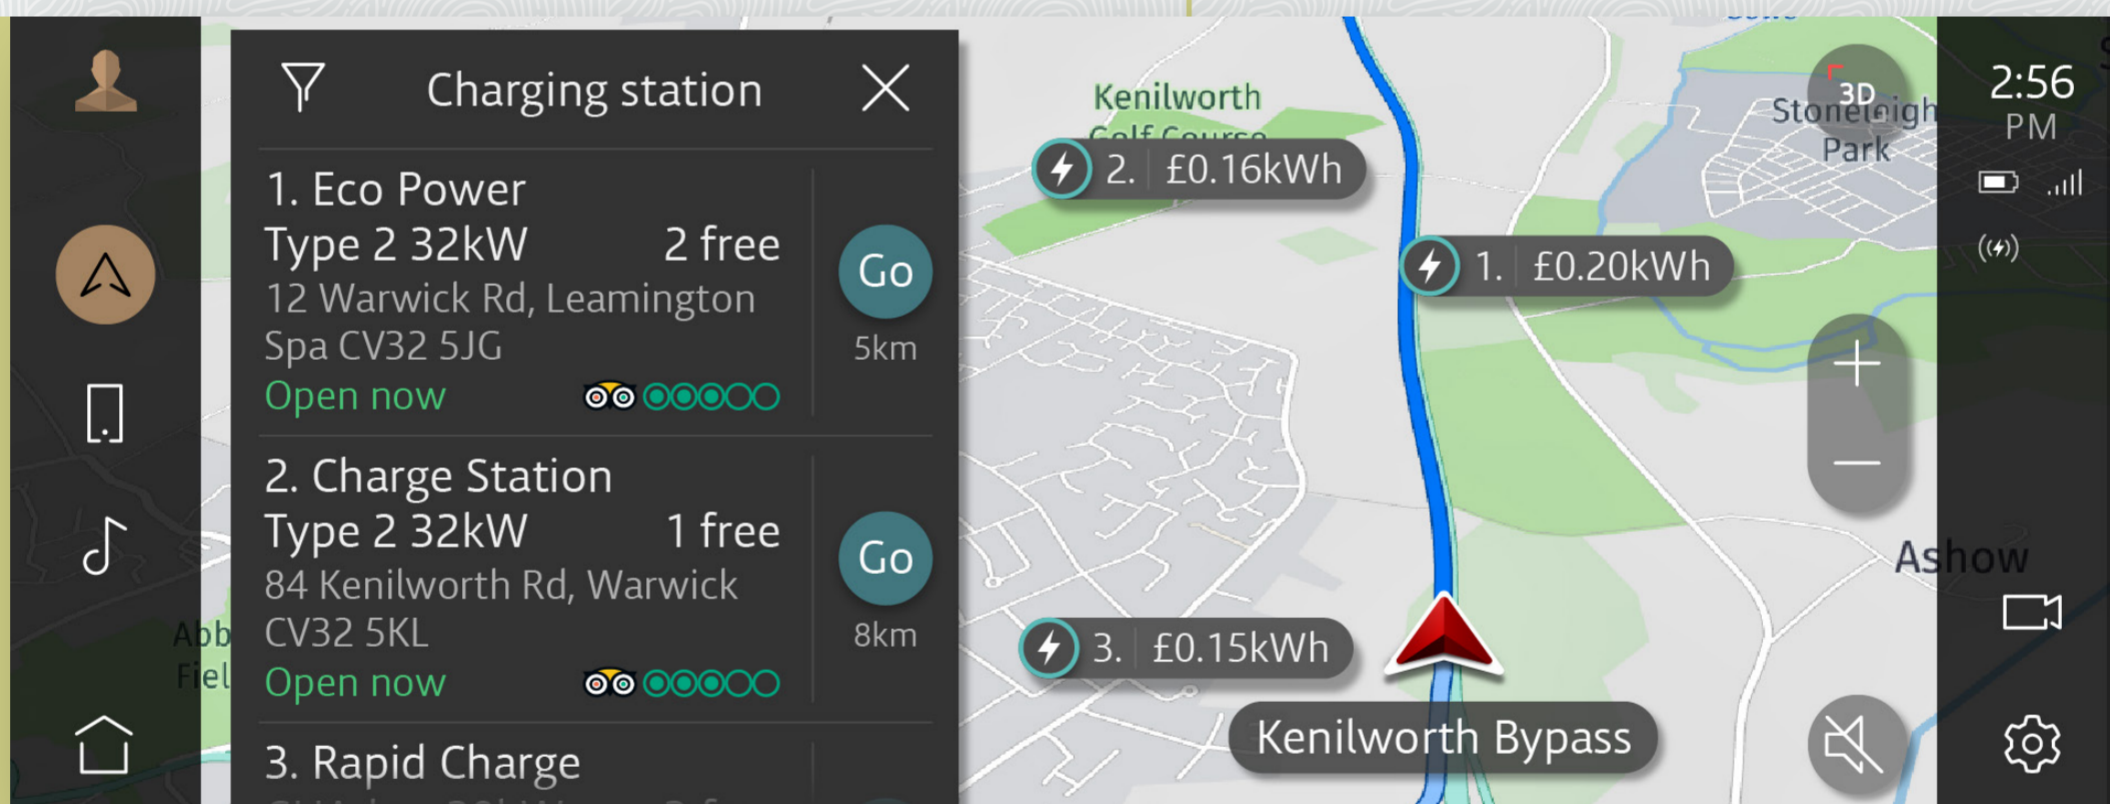

FASTER . SMARTER . CONNECTED

ARTIFICIAL INTELLIGENCE

Automatically activates certain comfort features, suggests media sources and even knows who to call based on your routines

ALL-NEW CONNECTED NAVIGATION

Online Routing and live traffic information syncs with Dynamic Routing capability to keep you on the fastest route whilst Smart Voice Guidance only gives verbal navigation instructions on routes that are unfamiliar

SOFTWARE-OVER-THE-AIR (SOTA)

Automatically updates your maps in the background. SOTA also enables new features to be added, ensuring your infotainment experience improves over time

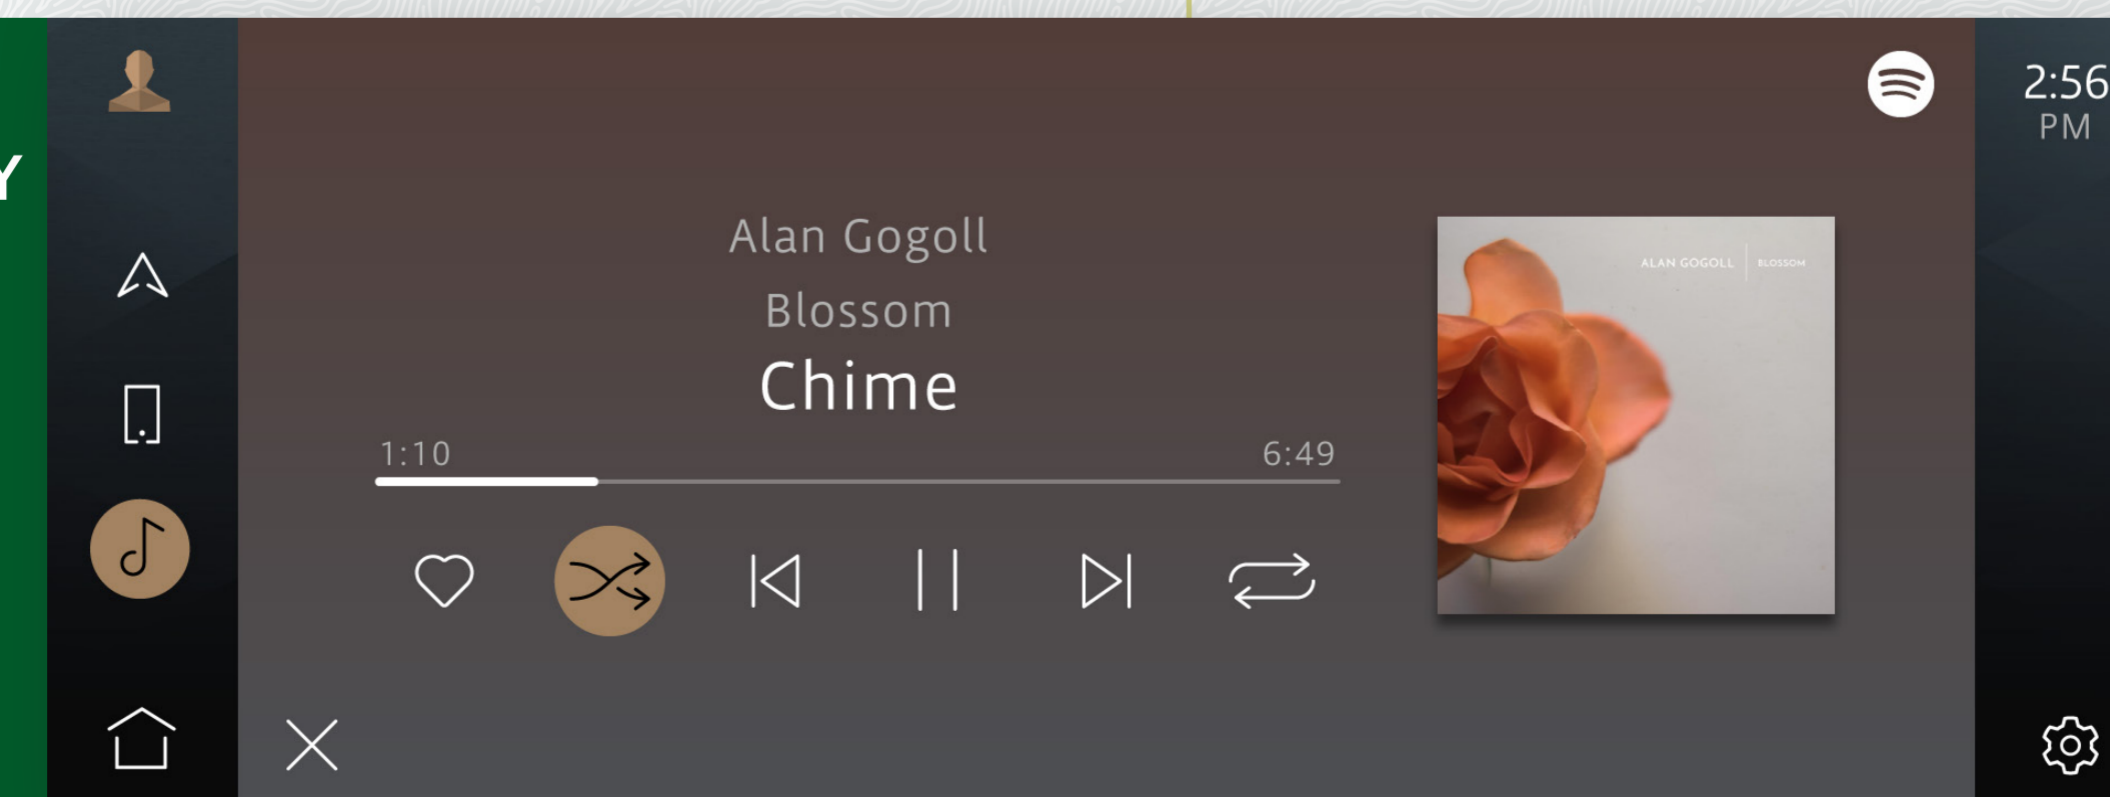

PHEV CHARGING STATUS

See what charge you have remaining, whilst the system advises the most energy efficient route to take

FASTER . SMARTER . CONNECTED

SEAMLESS CONNECTIVITY

Apple CarPlay is standard. As is Android Auto and Baidu Car Life*

INTEGRATED eSIM

Enjoy all the data you need without the need for a contract or a separate SIM card***

FULLY INTEGRATED SPOTIFY

Unlimited music streaming and instant access to more than 60 million tracks and over 1.5 million podcasts**

CELLULAR INTERNET

Connectivity can roam across multiple network providers to maximise signal coverage

PAIR TWO PHONES

Connect two phones via Bluetooth at the same time allowing either phone to be answered safely whilst driving

*Dependant on market availability

**Spotify Premium subscription required

***Unlimited data plan and eSIM are market dependent. Unlimited data is provided by the eSIM and applies to connected services and features for their respective subscription periods.
