MAGNOLIA BLOSSOM - STRONG CARE

A caring and healing hairbrush designed to nurture and smooth very dense curls, African-American (Afro) and very thick and heavy hair types. This brush is made of natural bristles with a hint of one of the types of our specially created caring version of "GinaFibra", offering sufficient strength to be able to get through more challenging hair types. The combination offers a gentle scalp-stimulating massage spreading natural sebum along the hair shaft, smoothing out your hair.

Your beautiful brush is packed in a luxury box, including a special cleaning brush.

Softest kind of natural bristles

Most gentle, soft and delicate brush

MISTLETOE - TANGLE POWER SOFT

This brush is suited for fine to normal hair types, light curls and Asian hair types. This detangle brush gently brushes out knots and tangles. It is made of a mix of natural bristles and a medium-strength version of our special "GinaFibra". The GinaFibra detangles and the natural bristles smooth and nourish your hair by spreading natural sebum along the hair shaft.

Your beautiful brush is packed in a luxury box, including a special cleaning brush.

Pre-sale advantage

- 25% off original price
- Free delivery worldwide

FEATURES

For fine to normal hair types, light curls and Asian hair types

Mix of natural bristles with medium GinaFibra

Gently brushes out knots and tangles

BLACKTHORN - TANGLE POWER STRONG

This detangle brush is strong enough to get through knots and tangles but gentle enough not to harm your fragile hair. It is made of a specially tested mix of natural bristles and extra-strong bristles of our own "GinaFibra". It is suited for African-American hair and very curly hair types with dense curls. The natural bristles gently spread natural sebum along the hair shaft, something that is not easy to do when you are blessed with this kind of hair type.

Your beautiful brush is packed in a luxury box, including a special cleaning brush.

FEATURES

For African-American hair and very curly hair types with dense curls

Mix of natural bristles with extra-strong GinaFibra

Gently brushes through strong knots and tangles

THE CLEANING BRUSH

We think that a gorgeous brush deserves a beautiful looking companion to clean it. That is why our cleaning brush is made of the same wood as the brush itself. We have designed it in such a way to make sure you can thoroughly but gently clean your brush with no effort. We suggest you always use this brush to avoid damage to your precious hair brush.
