

## The Longines Pilot Majetek

L2.838.4.53.0

The Longines Pilot Majetek is all about uniqueness and distinctiveness.

It is a watch with a strong history, a powerful design and impressive resistance, a watch that exudes strength.

Its fluted rotating bezel with inner “Starting time indicator” was a key technical challenge that has been overcome.

Powered by a mechanical Longines self-winding exclusive calibre, this version is fitted with a brown leather strap with beige stitches.

L2.838.4.53.2

The Longines Pilot Majetek is all about uniqueness and distinctiveness.

It is a watch with a strong history, a powerful design and impressive resistance, a watch that exudes strength.

Its fluted rotating bezel with inner “Starting time indicator” was a key technical challenge that has been overcome.

Powered by a mechanical Longines self-winding exclusive calibre, this version is fitted with a dark green leather strap with beige stitches.

L2.838.4.53.8

The Longines Pilot Majetek is all about uniqueness and distinctiveness.

It is a watch with a strong history, a powerful design and impressive resistance, a watch that exudes strength.

Its fluted rotating bezel with inner “Starting time indicator” was a key technical challenge that has been overcome.
