PLEASURE GETS THE BEST SEAT IN THE SUN

Just a stone's throw from the Champs-Élysées and the Place de la Concorde, the first rays of sunshine are settling on La Réserve Paris – Hotel and Spa. Located on Avenue Gabriel and in the privacy of the patio, the three sunny terraces hum to the rhythm of the capital, in the heart of the city's lively vibe, yet away from the hustle and bustle. This is a much sought-after place in the summer for a lunch in the sun, a romantic dinner for two, a glass of champagne with friends or a business meeting. To make the most of the evening, part of the terraces has been converted into a lounge area with comfortable armchairs, the ideal place to let yourself be transported by the musical atmosphere, while savoring the pleasure of the moment.

A WORLD OF DELICACIES AT LE PAGODE DE COS

An invitation to travel around the world on a gourmet journey, accompanied by Jérôme Bancet, Michelin two-starred chef at La Réserve Paris. An intrepid traveler himself, Jérôme has created a menu rich in multiple influences. Prepared from carefully selected produce, the dishes are diverse and feature a magnificent explosion of colors and flavors: a fine crustacean avocado tart, tamarind octopus or pure Madagascar vanilla mousse infused with fresh pods... A form of contemporary travel cuisine to be savored in the new plant-inspired design of the patio, transformed into an English garden by talented landscape designer Pierre-Alexandre Risser. Summer in Paris promises to be enchanting under the delicate shade of the flowering "silk trees".
