** A note on the time zones*

The concert times are given in Coordinated Universal Time (UTC), with EDT and CEST added for convenience. EDT is short for Eastern Daylight Time, which is four hours behind Coordinated Universal Time. EDT is the time in New York, for example. CEST is Central European Summer Time, which is two hours ahead of UTC – Berlin or Wedemark time, for example.

It's free but why not donate to fight the coronavirus?

At Sennheiser, we're delighted to be working with these fantastic artists to help spread positivity by putting on exclusive concerts. They're totally free, but if you do want to say thank you, do consider supporting the WHO in its fight against the coronavirus:
