MEDIA ADVISORY

**LEGOLAND® Discovery Center Atlanta donates Magic Mobile Unit
to Children’s Healthcare of Atlanta on Thursday, May 16**

ATLANTA (May 14, 2019) – LEGOLAND® Discovery Center Atlanta is making a special delivery to **Children’s Healthcare of Atlanta at Scottish Rite hospital** in Atlanta, with a gift that will help put a smile on the faces of little patients visiting the hospital for day surgery. The Magic Mobile Unit, donated by **Merlin’s Magic Wand**, will include an Xbox, television, LEGO® build plates, games and other interactive elements.

On **Thursday, May 16 at 10:30 a.m.**, members of the media are invited to join Atlanta’s leading kid-friendly attraction at Children’s Healthcare of Atlanta as two special patients help unveil the magic mobile unit that will serve those who are unable to reach the hospital’s playroom during their stay.

- WHAT:** **Mobile Magic Unit Unveiling at Children’s Healthcare of Atlanta**
Lexie and Malachi Delaney, who have undergone almost 100 surgeries combined at Children’s, will have the honor of unveiling the Mobile Magic Unit. The siblings have Treacher Collins syndrome which is treated with reconstructive surgeries of the eyes, ears and other facial features.
- WHEN:** **Thursday, May 16**
Unveiling will take place 10:30 a.m.
- WHERE:** **Scottish Rite hospital**
1001 Johnson Ferry Rd NE
Atlanta, GA 30342
- HOW:** This is a private event for families in Children’s Healthcare of Atlanta. Media are invited to cover this event; please confirm with Alison Wentley (awentley@emailbrave.com or 561.568.5545) no later than Wednesday, May 15 at 10 a.m.
- INTERVIEWS:** Sarah Rodgers, Child Life Specialist for Day Surgery at Children’s
Whitney Kemmerick, Marketing Manager, LEGOLAND Discovery Center Atlanta
Amy Delaney, mother of Lexie and Malachi Delaney
