InnoGames TV: August Episode Gives a Glimpse Into the Future **Video features a sneak peek into Grepolis' upcoming event and Forge of Empires' new era**

Hamburg, July 31, 2015. Today, the online games developer [InnoGames](#) continues their monthly video podcast with the release of the [August episode of InnoGames TV](#). Players can forget reading the forums this month as the episode features exclusive sneak peeks and coverage on upcoming game material.

The nearly 12 minute video starts off with [Elvenar](#) recapping some answers from their live QA session on periscope and Twitch. Timon and Oliver from the team go over three major questions from the stream. Next, Peer from [Forge of Empires](#) gives an exclusive preview of their upcoming era: The Future. The game designer talks about some of the units, advisors and their vision for the game age. On their end, [Tribal Wars 2](#) explains their co-op feature while [Tribal Wars](#) introduces their next tournament: Tribal Wars Cup. Last but not least, [Grepolis](#) gives a sneak peek on their future event Spartan Assassin.

Through their monthly video podcast, InnoGames provides the community with the latest news about their games. While the host speaks English, six languages are available via subtitles on YouTube.

With about 150 million registered players, InnoGames is one of the world's leading developers and providers of online games. Currently, the Hamburg-based company employs over 350 professionals from 30 nations. InnoGames has scored major success with games such as Tribal Wars, [Grepolis](#) and Forge of Empires.
