## NYC Urban Debate League

Thank you so much for connecting us to law firms to bring incredible legal education opportunities to our students! These are incredible experiences for our students, teachers and staff to be treated like Kings and Queens with panels of judges, incredible law firm environments, awards, dinner, critiques, mentorships, college and career advice and more! Thank you so much!

**Erik Fogel, Executive Director**  
**New York City Urban Debate League**

Grais & Ellsworth LLP welcomed the New York City Urban Debate League on July 28, 2016 to conduct a debate amongst high school students enrolled in the summer program on the topic of Resolved: In United States public schools, the probable cause standard ought to apply to searches of students. Thanks to our judges Leanne Wilson, Rachel Stanton, Brian Holbrook, Siobhan Stewart, and Silvia Ostrower for volunteering.
