Estée Lauder Global Brand Brand Ambassador **Karlie Kloss** glowed at the 2023 Met Gala as she revealed her second pregnancy on the red carpet.

Karlie wears the **NEW Pure Color Crème Lipstick in Rose Tea.**

“The inspiration for Karlie’s makeup look comes from that glamorous classic 90’s supermodel look – monochromatic and sculpted. I gave her a youthful, rosy cheek, matching lip, and a bold lash line,” said Hung Vanngo, Karlie’s make-up artist.
